

Event Name: Seminar on “Career Orientation”

Date: 5th March, 2013

Keeping in mind about the confusion of the undergraduate students and their parents about the opportunities after graduation and the relevance of post graduation in achieving a fast track good career, Camp Education Society’s Institute of Management Nigdi organized a seminar on “Career Orientation” on 5th March 2013 for the final year students of graduation in the UG colleges in PCMC.

Eminent speakers like Dr. Deepak Shikarpur and Dr. G. K. Shirude addressed the students and briefed them about the career opportunities and relevance of Post Graduation in achieving good career.

Dr. Bharat P. Kasar, Director, Institute of Management welcomed the guest and briefed about the intention of the seminar of enriching the students with information and knowledge for right decisions in selecting their career.

In the first session, which was conducted by Dr. G.K. Shirude, Director, Naralkar Institute of Career Development and Research, Pune. He guided students about the 4D (four dimensions) of the Career that is Dreams / Idea, Discipline, Determination, & Dedication which should be focused for the best career achievements. He further talked about the various career options like Traditional, Vocational, Professional, Certifications, etc. from which students can choose any career for their bright future. He highlighted the scope for performing management students in India and abroad and the relevance of management degrees like Master of Business Administration (MBA) in exploiting these opportunities.

In the later session, Dr. Deepak Shikarpur, elaborated on the Indian Talent (IT) and the scope for Indian Talent in the near future. Dr. Deepak Shikarpur enlightened the students with advancement in Information Technology and highlighted the opportunities in the Information Technology Industry.

Both the speakers were well received by the students. This program was anchored by Prof. Nisha Preet and Prof. Dhananjay Deshpande conveyed the vote of thanks. The seminar was inspired by the vision of Shri Walchand Sancheti, Chairman, Camp Education Society, Pune who feels that bright future of India lies in the students and they should be properly guided and groomed.
